Rescheduling/Cancellation Policy

58 Dental strives to provide the highest quality dental care possible while providing treatment times that are convenient for the patients of the practice. To support the mission of the practice, we ask that patient provide the office with 48 hour notice prior to rescheduling or canceling an appointment. If two or more rescheduled or cancelled appointments are required by a patient with less than 48 hours notice provided to the office, a 25% deposit of the cost of future dental treatment will be required to reschedule an appointment.
